

SNAGGING & CLEARING PROJECT BENEFIT SUMMARY
NORTH DAKOTA STATE WATER COMMISSION
PLANNING AND EDUCATION DIVISION
SFN 60554 (1/2016)

The following information will be used as part of the agency's project planning, budget development, and project prioritization processes. Project sponsors requesting SWC cost-share that have a project with a total cost of \$500,000 or more are required to provide supplemental information related to project benefits per NDCC 61-02-01.3. If the proposed project has undergone a detailed benefit-cost analysis, that information may be referenced or provided in lieu of the following.

Project Name:

Project Sponsor(s):

Describe existing and anticipated future conditions without the proposed project.

If applicable, provide a brief description of costs and impacts related to recent flood events that occurred because of existing conditions.

Describe how the project will reduce future costs and mitigate future impacts.

Briefly outline key infrastructure that will directly benefit from the proposed project, including major utilities or transportation elements, businesses, and residences.

Estimate the total number of people expected to benefit from the proposed project and how they will benefit.

Provide any additional project-related benefits that you would like considered.
